PARADISE

For keen anglers, families
and corporate groups

The Blue Water Adventure gives anglers the opportunity to experience the idyllic Blue Martini lifestyle and partake in some spectacular sport fishing. This charter is a minimum of three nights and can accommodate six to eight people in luxury. Guests have the the transfer option ex Port Douglas by Black Magic, our 40' game boat or by a spectacular helicopter flight out to exclusive landing pontoons on the outer reaches of the Great Barrier Reef. These rich fishing grounds are home to a variety of species including reef fish, billfish and pelagics. Guests can choose their fishing style with options for popper, soft plastics, jigging, trolling, light tackle and even saltwater fly fishing, all while tapping the invaluable local knowledge of their own private guide. The centre-consoles are the perfect platform for a fast-paced fishing adventure. If guests would like to tackle the wider waters outside the Reef, Black Magic is available for charter as an optional add-on.

GONE FISHING

and diving, snorkelling,
kayaking

The fishing may be excellent, but there is so much more to this FNSF charter. All guests will experience the unique Blue Martini hospitality, with a five-star chef and all meals included. The Blue Martini hostess is there to make sure everything runs smoothly plus there is a full house-keeping service. Families and groups on the Blue Water Adventure charter can also choose from a range of add-ons including snorkelling, kayaking and spear fishing. all on the magnificent Great Barrier Reef. In the months between June and August, the Reef is also a thoroughfare for migrating Humpback Whales and Whale Sharks and guests could have a one-on-one encounter with these gentle giants.

One of FNSF's most popular side trips is the Coral Cay Experience. Blue Martini moors close to an isolated sand island and guests are served a five-scar castaway dining experience on the shore. This is something not to be missed.
