

ULTIMATE ADVENTURE - ARCHER RIVER

*Big Barra Territory Fishing in
the Gulf of Carpentaria*

The vessels were excellent, the food exquisite . . .

Our Ultimate Adventure charters are tailored to the angler with a taste for exploring very remote locations that are hardly visited, and offer world-class sport fishing in our Gulf of Carpentaria key spots.

The Archer, Love and Kirke Rivers are all part of a massive wetlands system in the surrounds of Aurukun some 100kms south of Weipa in the Gulf of Carpentaria. The fishing is consistent and can be outstanding, with most tidal ranges and moon phases offering distinct fishing possibilities. This is why FNSF-NOMAD travels over Cape York Peninsula for a handful of exclusive charters in these pristine and fish-filled rivers of the west coast.

You will fly by private charter from Cairns to the remote community of Aurukun and after a short 5 minute drive to the boat ramp, meet with our mothership, Blue Martini, and immediately begin fishing on the Archer River.

... and the fishing - exceptional.

The Archer River system, along with the Love, Watson, Kirke and Jackson Rivers, are home to some of the world's best estuary and river fishing. The location on the western side of Cape York means that Aurukun is the perfect winter fishing destination with stable sunny weather and protection from the strong southeasterly winds. After a big wet season the run-off produces more fish than can be believed!

Anglers can expect to target the likes

of Barramundi, Queenfish, Milk Fish, Fingermark, Coral Trout, Golden Trevally, Cod and more. The fish are ready to take a lure, bait or fly. This charter will also see our clients fishing further south to the Love and Kirke Rivers which are simply stunning flats to chase your fish of choice.

Aside from the estuary and river fishing, this region also offers amazing blue water fishing. The near coastal areas have a huge array of pelagic and reef fish to target including Tuna, Mahi-Mahi, Giant Trevally, Red Eperor, Nannygai, and many more.

Ultimate Adventure - Archer River Locations

*Your Archer River charter
will take you here . . .*

Our Ultimate Adventure - Archer River charters are available from late April to mid July each year.

Sample Itinerary

DAY 1: ARRIVAL DAY (Half-fishing day)

Depart Cairns and fly to Aurukun where you will meet our crew and be welcomed aboard our mothership, Blue Martini.

Half day fishing in the afternoon.

DAY 2 to DAY 7: 6 FULL FISHING DAYS

Fish everyday with the tide movement as we explore the vast array of rivers and estuaries.

DAY 8: DEPARTURE DAY (Non-fishing day)

Disembark the mothership and board a private charter flight from Aurukun to Cairns (specific times vary from trip to trip).

Inclusions
