

ULTIMATE ADVENTURE - PORTLAND ROAD

*Want to catch every species we target in
amazing locations?
Time for the ultimate fishing adventure.*

Remote Bluewater Action . . .

Our Ultimate Adventure - Portland Road trip is tailored to the angler that has a taste for exploring the most remote locations with some of the best sportfishing. It is one of the world's ultimate fishing adventures.

We fish iconic reef systems such as **Bligh, Lagoon, Martha Ridgeway and Long Sandy Reef**, and the spectacular **Margaret Bay and Forbes Island**, all accessed via Portland Road in Cape York. You will fly into Lockhart River via a private charter flight. After a 40 minute drive from Lockhart River to Portland Road, you will then rendezvous with our mothership, Blue Martini. Throughout your charter, you will fish some of the most remote and productive waters in Australia aboard our 20' centre consoles in the hands of our very experienced guiding team.

There is a huge array of pelagic and reef fish to target and they can get to epic proportions in these remote waters. We chase **Dogtooth Tuna, Mahi Mahi, Giant Trevally, Nannygai, Queenfish, Fingermark, Red Emperor, Coral Trout**, and many, many more.

... where the fish grow BIG.

Given the large number of bommies, reef systems and islands within the target zone for this trip, we only visit each reef for a short period each year so you can be sure of incredible fishing action, as well as a unique experience.

Forbes Island, what a spectacular location. Home to incredible pressure points and reef edges, it is an absolute playground for our jigging enthusiasts raising pelagics

such as GTs, Mackerel and more. By-catch includes sought after reef species such as Coral Trout and reds. Not only great for fishing, Forbes Island is a great anchorage in an array of weather conditions and offers stunning snorkelling opportunities for those who wish to take a peak below the surface.

Although predominantly a bluewater focussed charter, this region also hosts incredible inshore reefs, islands and remote rivers with the potential to land yourself a few Barramundi, amongst other inshore species.

Portland Road Locations

*Your Ultimate Adventure - Portland
Road charter will take you here . . .*

Our Portland Road charters are available in February, March, October,
November & December.

Portland Road Sample Itinerary

DAY 1: ARRIVAL DAY (Half-fishing day)

Depart Cairns and fly to Lockhart River Airport, where you will then take a private road transfer to Portland Road to meet our crew and be welcomed aboard our mothership, Blue Martini. Half day fishing in the afternoon.

DAY 2 to DAY 6: 5 FULL FISHING DAYS

Fish from approximately 7:30am til 4:30pm, meals and accommodation provided onboard our 70ft mothership.

DAY 7: DEPARTURE DAY (Non-fishing day)

Disembark the mothership at Portland Road, private transfer back to Lockhart River Airport and fly back to Cairns (timings vary from trip to trip).
